

ScienceDirect 学外からのアクセス方法

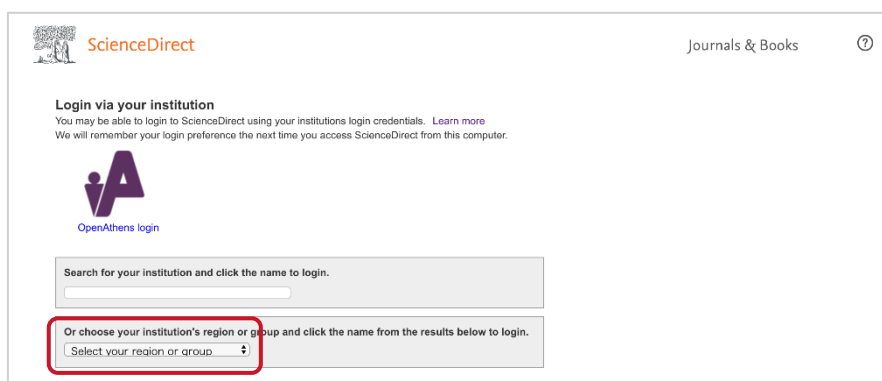

1. ScienceDirect (<http://www.sciencedirect.com/>)にアクセスする
2. 画面上部の Sign in をクリック

3. Other institution をクリック

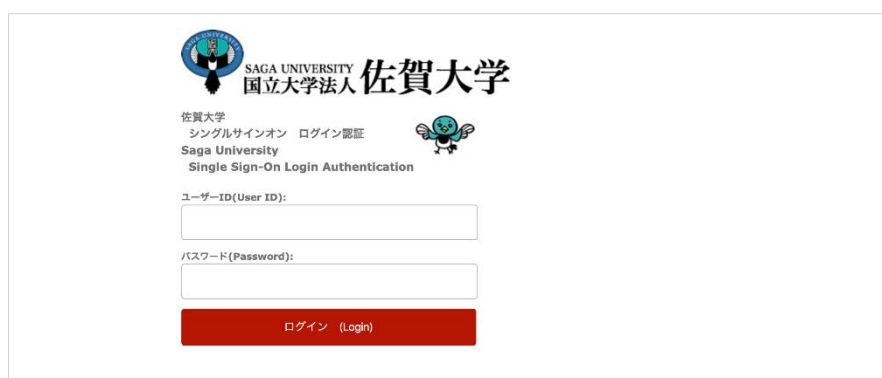

4. Select your region or group をクリックし、Japanese Research and Education (GakuNin)を選択する

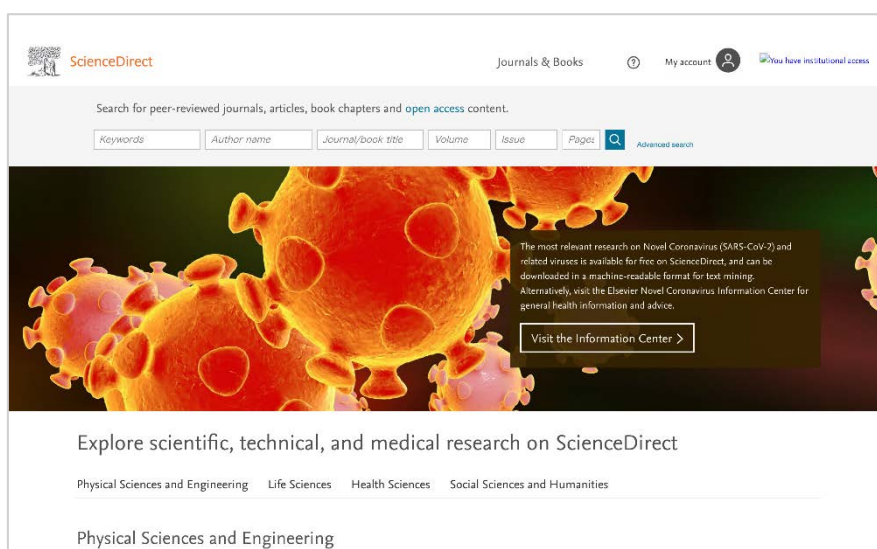

The screenshot shows the ScienceDirect login interface. At the top left is the ScienceDirect logo. To the right, it says "Journals & Books" with a help icon. Below the logo, there is a section titled "Login via your institution" with a sub-header "OpenAthens login" and a logo. A search box is present with the text "Search for your institution and click the name to login." Below this, there is a dropdown menu with the text "Or choose your institution's region or group and click the name from the results below to login." and "Select your region or group" with a downward arrow. The dropdown menu is highlighted with a red box.

5. 表示された一覧から佐賀大学をクリックする
6. 佐賀大学のユーザーID とパスワードを用いてログインする

The screenshot shows the SAGA UNIVERSITY login page. At the top, there is the SAGA UNIVERSITY logo and the text "SAGA UNIVERSITY 国立大学法人 佐賀大学". Below this, there is a section titled "Single Sign-On Login Authentication" with a sub-header "Saga University Single Sign-On Login Authentication". There are two input fields: "ユーザーID (User ID):" and "パスワード (Password):". Below the input fields, there is a red button labeled "ログイン (Login)".

7. ログイン完了

The screenshot shows the ScienceDirect home page. At the top left is the ScienceDirect logo. To the right, it says "Journals & Books" with a help icon, "My account" with a user icon, and "You have institutional access". Below the logo, there is a search bar with the text "Search for peer-reviewed journals, articles, book chapters and open access content." and a search button. Below the search bar, there is a banner image of a virus particle. To the right of the banner, there is a text box with the text "The most relevant research on Novel Coronavirus (SARS-CoV-2) and related viruses is available for free on ScienceDirect, and can be downloaded in a machine-readable format for text mining. Alternatively, visit the Elsevier Novel Coronavirus Information Center for general health information and advice." and a button labeled "Visit the Information Center >". Below the banner, there is a section titled "Explore scientific, technical, and medical research on ScienceDirect" with a list of categories: "Physical Sciences and Engineering", "Life Sciences", "Health Sciences", and "Social Sciences and Humanities". Below this, there is a section titled "Physical Sciences and Engineering".
